

Topic	Grade	Test Title	Student Rating		
					
Algebra	8	Algebra and Proof			
	9	Approximate solutions to equations using iteration.			
	9	Equation of a circle			
	9	Equation of a tangent			
	8	Gradients and area under a graph			
	8	Graphs of trigonometric functions			
	8	Quadratic equations (completing the square)			
Geometry & Measures	8	Circle theorems			
	8	Vector arguments and proof			
Number	8	Surds			
Ratio, Proportion and Rates of change	9	Gradients and the rate of change
